UNIT BASED PROGRAMMES

Every organization faces the continuous challenges of:

- Keeping pace with latest concepts and techniques indifferent fields.
- Providing training support in specific areas to specific groups.
- Enthusing employees for further training and influencing their attitudes.
- Working for still higher productivity.

NITIE assists the organizations through its Units Based Programmes which:

- Cover the latest concepts and techniques indifferent field of functional and general management.
- Are designed to meet identified training needs that will influence the attitude of employees and make them learning- oriented.
- Are continuously updates with the experience gained in increasing productivity indifferent organizations

NITIE's Goals for United Based Programmes:

NITIE helps to increase the Enterprise's effectiveness through the following objectives:

- Diagnose and assess training needs in different functional areas, and design the training programme, adding the latest concepts and techniques in the relevant filed of management.
- Identify areas for productivity improvement and enable the executives and employees to apply the knowledge, gained, to real- life problems in their organization.
- Increase enterprise effectiveness through in-company programmes to meet the specific needs of the organization.
- Create an awareness of the value of training and bring about a change in the attitude of the employees.
- Maintain a close linkage and liaison with the business and industry in relation to the training to be imparted a different level.

NITIE's approach to Unit Based Programmes

NITIE faculty conduct Pre- Training Survey (PTS) for 1 or 2 days. (if necessary), to assess training needs of organization. Programmes designed and implemented on the basis of a PTS create more interest to the participants in the sessions and increase the worth and effectiveness of the training. PTS also helps to identify appropriate duration of the programme. Thus, PTS enable to collect the necessary inputs for the programme relating to the organization. After the PTS is over, NITIE team of faculty who conduct the study, draw up a programme schedule mutually acceptable to the organization and NITIE. On confirmation thereof, the programmes are conducted for the duration agreed upon.

Certificate Programmes

Special/ Customized part-time certificate programmes in the areas of industrial Engineering, Supply Chain Management, Project Management, Manufacturing Management etc. (to be announced).

Special Programs

1. NITIE has announced one year Post Graduate Program for Executives- Visionary Leadership for Manufacturing from September 2017. Details are available on NITIE web site www.nitie.edu / www.nitie.ac.in

Pre- Training Survey (PTS) Terms:

1. A token Feed of ₹10,000/- Per faculty per contact day.
2. Travelling expenses of faculty members/s, (minimum 2 faculty), to and fro by air and local transportation at both ends.
3. Boarding and Lodging expenses of the faculty members/s at destination.

Unit Based Programmes (UBP)

CONSULTANCY SERVICES

Every organization periodically needs external consultancy when:

- Need arises for expertise which is not AVAILABLE WITH IN THE ORGANIZATION.
- additional support necessary to broaden and update the experience available in the organization Is required.
- A fresh, impartial and holistic outlook may be more beneficial.
- Experience of other organizations may be of great help.

NITIE's Goals for Consultancy Services

Consultancy assignments are undertaken by NITIE through faculty members as individuals/ teams on a selective basis to meet the following goals:

- Provide service to the industry by sharing expertise and competence of experienced NITIE faculty to diagnose and solve Industrial problems objectively in selected areas of Industrial engineering and management.
- Provide services of inter- disciplinary team of NITIE faculty to apply latest concepts/ methodologies/ research validated approaches to solve real life problems in business and industry.
- Help the faculty in developing case studies/ course material, which can be used, with permission from host-organization, for dissemination of knowledge to executives/ students.
- Maintain close linkage and liaison with business and industry.

Our approach in Consultancy Services

NITIE's faculty socialists (one or more) conduct PRE CONSULTANCY SURVEY (PCS) on nominal charges for 1 or 2 days in the organization; meet key executives in order to identify and define the problem and develop a CONSULTANCY PROPOSAL with terms of reference, estimated consultancy fee and duration for completing the assignment.

100% of the Consultancy Fee is payable in advance, before commencement of the assignment. NITIE encourages a participative approach and joint study with executives, staff and employees of the organization during the detailed consultancy assignment. This provides as opportunity for client personnel to understand the nature of problem(s). approach to the solution (s) and have training on the job. This also helps in smoothly implementing the recommendations evolved as a result of joint study, particularly in the sensitive areas e.g. wage/ salary matters and work- load studies, etc.

Pre- Consultancy Survey (PCS) Terms:

1. A token Fee ₹ 10,000/- per consultant per day, to do the PCS.
2. Travelling expenses of faculty members/s, (minimum 2 faculty), to and fro by air and local transportation at both ends.
3. Boarding and Lodging expenses of the faculty member/s at destination.

FACULTY AT NITIE

Prof. Manoj Kumar Tiwari - Director NITIE

Industrial Engineering and Manufacturing Systems

1.	Acharya P Professor & Dean (Academics) Ph.D (IIT Kharagpur), M.Tech, B.E.
2.	Akarte Milind M Professor Ph.D (IIT, Bombay), M.Tech.
3.	Ganapathy L Professor Ph.D (IIT Kharagpur), M.Tech., BSc. (Engg.)
4.	Iqbal Rauf Associate Professor Ph.D (Vidya Sagar University), M.Sc.
5.	Khanzode Vivek Associate Professor Ph.D (IIT Kharagpur), M.Tech., B.E.
6.	Narayana Rao KVSS Professor Ph.D. (IITB), PGDIE (NITIE), B. Tech.
7.	Narkhede B. E. Associate Professor Ph. D, (Mech. Engg.); M. Tech., B.E.
8.	Persis Jinil D. Assistant Professor Ph. D. M.E, B.E.
9.	Pundir A K Professor Fellow (NITIE), PGDIE (NITIE), B.Tech.
10.	Verma Priyanka (Ms.) Assistant Professor Ph.D. (IIT Kanpur), M.Tech., B.Tech.

Operations and Supply Chain Management

1.	Gaurav Kabra Assistant Professor, Ph.D; MBA; B. Tech
2.	Gokhale Ravindra S Assistant Professor Ph.D. M. Tech., B.E.
3.	Kamble Sachin S Associate Professor Ph.D (Vikram University), MBA, B.E.
4.	Maddulety K Associate Professor Ph. D (Shivaji University) MBA B.Tech.
5.	Raut Rakesh Assistant Professor Post-Doc (EPFL, Switzerland), Fellow (NITIE), M. Tech., B.E.

6.	Sharma Sanjay Professor Ph.D (Bhopal University), M. Tech, B.E.
7.	Sushmita A Narayana (Ms.) Assistant Professor Fellow (IIM Kozhikode (FPM equivalent to Ph.D.), B.E. (Prodn. Egg.)

Engineering Technology and Project Management

1.	Gupta Ruchita (Ms.) Assistant Professor Ph.D. (IIT-Bombay), M.Tech., B.Tech.
2.	Joshi Kanchan D Assistant Professor Ph.D. (IIT Bombay), M.M.S., BE (Electronics)
