

NATIONAL INSTITUTE OF INDUSTRIAL ENGINEERING (NITIE) MUMBAI

(An autonomous institute under the Ministry of Education, Govt. of India, Vihar Lake Road, Powai, Mumbai – 400087)

Date: 05/05/2022

National Institute of Industrial Engineering (NITIE) was founded in 1963 as a collaborative effort between the Government of India and International Labor Organization. NITIE prepares students for a seamless induction into industry and academia by blending management principles and technical skills. NITIE has been providing the solutions to the complex problems of industries. Currently NITIE has 9 research areas, 5 Post graduate programs and a fellow program. Further details at www.nitie.ac.in

NITIE Invites Application for

Project staff (full-time) under the “ICSSR Project”.

Project scope: Women-led enterprises and challenges to their scaling: A state-level comparative study

Age: Below 30 years, preferred

Essential Qualifications & Experience

NITIE is hiring full-time project staff to support ICSSR project with a wide range of research and industry liasoning activities. The project staff will be expected to work independently within the scope of their responsibilities. Responsibilities include but are not limited to collecting data and preparing white papers, reports and presentations. Also, this will require an understanding of designing surveys, and analysing trends.

Passionate candidates with a regular (not correspondence) post-graduation or higher degree in Entrepreneurship, Gender studies, Social Sciences, Social work, Gender Studies, Psychology or MBA in Human Resources can apply. Preference will be given to applicants having experience in designing and conducting surveys, coordinating with various organizations, and developing research reports.

Job Profile: The selected candidate will be engaged in:

- Identifying & collecting reading material, preparing research reports and case writing
- Data collection
- Report preparation
- Administrative support - Initiating and coordinating various operational and tactical tasks.

Skills:

- Work in project mode with discipline and inner drive
- Strong Research and problem-solving aptitude
- Excellent Written and verbal communication skills
- Knowledge of MS Word, Excel and PowerPoint
- Ability to comprehend and undertake Systematic Literature Review
- Working knowledge of SPSS and AMOS is an added advantage
- Applicants must have strong quantitative analysis skills and sound knowledge of research methods.

Remuneration: The maximum salary will be Rs. 35,000/-pm (Consolidated). The amount will be fixed based on the qualifications and recommendation of the selection committee. Meritorious candidates may be “**considered for Fellow (PhD) program**”, as per institute norms.

Interested persons may send soft-copy of their CV by e-mail “**Application for Project staff under ICSSR Project**” to SRIC Office: sric.tech@nitie.ac.in, within two weeks from date of this advertisement.
